Re: Naming a Vietnamese Retail Area.

Dear Mayor Reed and Members of City Council

We are property and business owners doing business on Story Road.

We do not want the City Council to name any name on the street until the City staff to develop a guideline on naming a business district. We will work with the City's staff and members of our business community to come up with a name that is acceptable to us.

WE DO NOT WANT OUTSIDERS TO IMPOSE A NAME to our business area that we do not need and do not want it NOW.

Thanks
